我們聯繫不同的年輕人，讓他們互相合作去實現共同的目標，讓他們建立對社區的歸屬感，從而為社區帶來改變。我們希望年輕人透過貢獻社會能令他們和社區的關係更緊密。

### 責任

我們透過「寓學習於實踐」的方式建立一個年輕人網絡，令他們為自己的行動及同伴負責，並熱衷於為世界帶來正面的改變。

### 互相尊重

透過培養人際關係技能和情商，我們教育年輕人要互相尊重，和人相處時展現出善良、同理心和個人獨特性的重要一課。

## MESSAGE FROM THE FOUNDER 創辦人感言

The past two years have undoubtedly been turbulent times for all, but I am filled with hope and optimism when I see the impact of these amazing young changemakers we have been empowering to do good in the community. Despite the setbacks from the pandemic where in-person programs were not possible, our young changemakers stepped up and with courage and determination, implemented their community project ideas sparked by their passion.

During the pandemic, our Kids4Kids team also swiftly adapted to creating new online content, whether it be an interactive **Buddy Reading** session or fully turning our annual **Powered by Youth Forum** on-line with 2 full days of programming. I am so proud our Kids4Kids team have all demonstrated resilience and truly put into action the same values our programs teach.

Another proud moment to share is that the work of Kids4Kids in the past decade of empowering young people has been recognised internationally by Ashoka, a pioneer in social entrepreneurship. I was elected as an Ashoka Fellow from 2020 and was the only Fellow from Hong Kong from a total of 79 Fellows inducted that year.

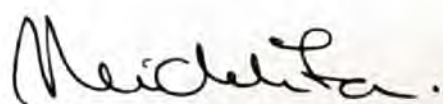

So, definitely lots to be grateful for. With your support, Kids4Kids will continue to help our young people develop the mindset and skill set to believe they are never too young to change the world.

過去兩年對所有人無疑都是動盪的時期，但我仍充滿希望和樂觀的心，繼續關注這些令人驚嘆的年輕創變者如何在社區帶來正面影響。儘管我們在疫情中遇到不少挫折，令我們的項目無法以面對面形式進行，但這些創變者仍充滿勇氣和決心，為社區問題挺身而出，執行了他們構思的社區項目。

在疫情期間，我們的團隊也靈活地創建了全新的網上內容，如具互動性的童協伴讀樂、一年一度為期兩天的啟·創·社區設計師培訓論壇等，均順利地在線上舉行。我為著團隊所表現出的韌性，並把項目所秉持的價值付諸行動而感到自豪。

我亦希望在此分享另一個令人感到自豪的時刻：童協基金會在過去10年間成就年輕人的工作得到了社會創業領域先驅 Ashoka 的國際認可。本人亦在2020年被授予 Ashoka Fellow 榮譽，是當年全球79名 Fellow 中唯一的香港得獎者。

我們絕對還是有很多值得感恩的事情。因著你們的支持，童協基金會得以繼續幫助年輕人發展其身心，令他們知道 - 改變世界不受年齡所限。

## MESSAGE FROM OUR SUPPORTER 支持者感言

I would like to congratulate Kids4Kids for the excellent work they do in nurturing and empowering young changemakers in Hong Kong. The commitment made by Kids4Kids in building confidence and instilling social responsibility amongst young people remains steadfast despite the challenges posed by the pandemic.

We are also deeply grateful for the partnership between the Equal Opportunities Commission and Kids4Kids in promoting Diversity, Equity and Inclusion through the adoption of our Racial Diversity and Inclusion Charter for Employers and participation in our video project. The world needs inclusive leaders as never before and we are delighted that Diversity and Inclusion are high in the agenda for Kids4Kids and the lessons they impart to young changemakers.

I still remember my short encounter with Alpha Ngai, who created a concert consisting of children with disabilities. I recall how happy the children were to be able to participate in such an activity. I believe such experiences make them more joyful and hopeful of a different possibility that can exist for them. At the same time, it also enhances the sense of empathy and understanding amongst the people involved.

In order to build an inclusive society, we need to create more space for interactions between people of different races, abilities, thoughts and ideas. I would like to congratulate Kids4Kids for creating such spaces for our youngster in Hong Kong. I wish Kids4Kids all the best in their future endeavours and initiatives.

在此恭賀童協基金會在培育和啟發香港年輕創變者上的出色工作。儘管疫情為工作帶來挑戰，童協基金會的信念仍然堅定不移，致力建立年輕人的自信心，並向他們灌輸履行社會責任的重要性。

我們非常高興平等機會委員會能和童協基金會成為合作夥伴，透過堅守種族多元共融僱主約章和參與我們的影片項目，去推廣多元、平等和共融等重要價值。世界前所未有地需要具包容性的領導者，所以我們很高興童協基金會也同樣重視多元和共融，並在課程中傳授這些核心價值給年輕創變者。

我仍記得自己曾和 Alpha Ngai 見面，那時他正統籌一場殘疾兒童音樂會，我仍記得那些孩子在參加這個活動時的喜悅。我相信那經歷讓他們更加快樂，並同時為著不同可能性的存在充滿希望。同時，音樂會也增強了對彼此之間的同理心和認識。為了建設一個更共融的社會，我祝賀童協基金會能為我們香港年輕人創造一個空間，好讓不同種族、具備不同能力、思想和想法的人們在當中互動，並在其未來的工作和倡議中一切順利。

## Virtual Programs 虛擬項目

COVID never stopped us from inspiring the younger generation. The Kids4Kids team was quick to adapt, shifting our programs online during these unprecedented times to ensure that our work would continue to spark positive changes in the community.

More than 100 online **Buddy Reading** sessions were organised for kids across low-resource primary schools and community centers. Massive thanks to all students in Kids4Kids school clubs and volunteers who were so passionate and dedicated to nurturing children with a lifelong love of books.

**My Story Creation** workshops were delivered via zoom and continued to teach students how to ideate their story and illustration tips. We saw our most impressive year to date submissions with creative stories and amazing illustrations from kids remote learning at home during the covid pandemic.

Our Youth Programs from **Powered by Service** workshops, annual **Powered by Youth Forum** and **Action for a Cause** program all went online. If you scan the QR code, you can watch the Action For a Cause 2020-21 highlights video, and be inspired by how young people can take action when they have the confidence to believe that they are never too young to change the world.

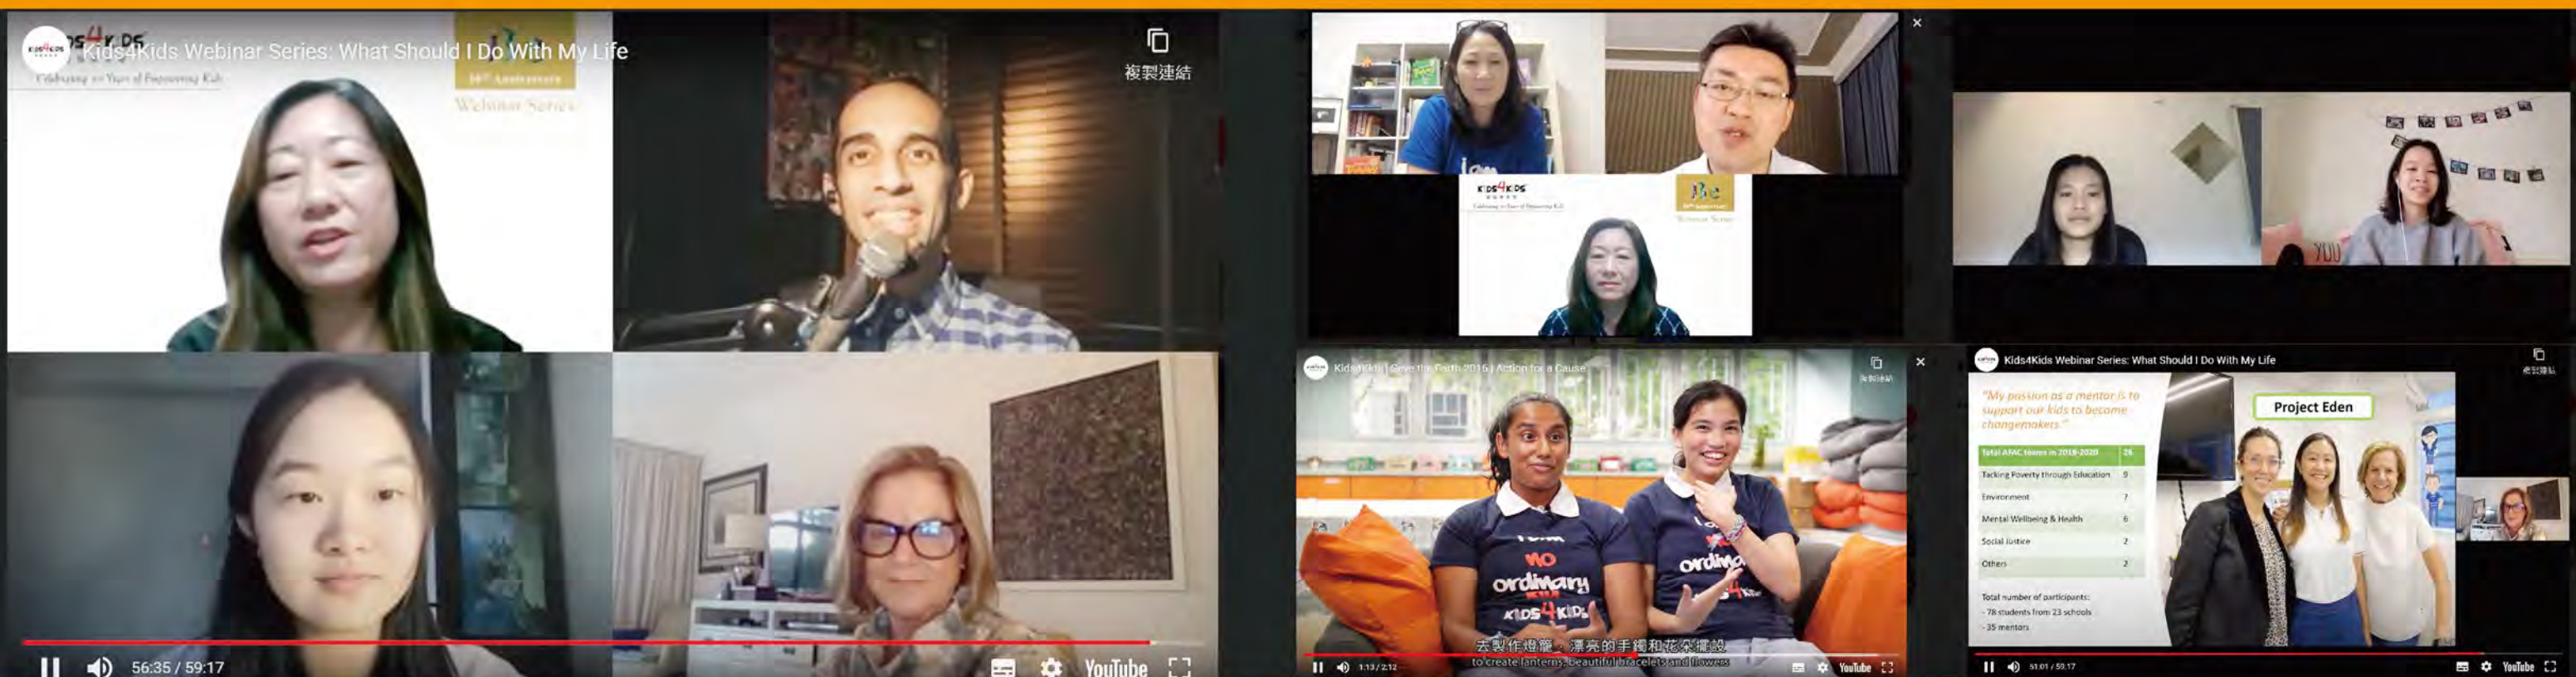

疫情從沒有令我們啟發年輕人的工作停下。童協基金會團隊迅速適應了這前所未有的時刻，並成功把我們的項目轉至網上形式舉行，以確保我們能繼續積極地為社區帶來正面改變。

我們成功為資源匱乏的小學和社區中心的兒童舉行了超過100場的網上童協伴讀樂。在此感謝學校和義工的踴躍參與，令我們得以培養小朋友對閱讀的興趣。

「我的故事創作」工作坊亦透過網上授課的形式繼續教授兒童創作故事和繪圖的技巧。參加者因疫情而在家中遙距學習，但我們仍收到迄今為止最為優秀的參賽作品，作品各具創意的故事情節和精美的插圖。

敢•想 - 校園設計師培訓課程、敢•創 - 社區設計師培訓論壇和為善行動均在網上進行。若希望觀看我們本年為善行動的活動花絮，請掃描下方的二維碼。影片中你將被我們的年輕創變者所啟發，他們相信「改變世界不受年齡所限」，並帶著信心作出社區行動。

As we had to postpone our Gala Dinner in 2020 which was to celebrate our 10th anniversary milestone, we wanted to continue sharing with our community all the different journeys the young changemakers we have inspired and empowered over the last decade have taken, by hosting a series of online webinars. 我們把原定於2020年的籌款晚會延後舉行，但為慶祝童協基金會成立十週年的里程碑，我們希望繼續以網上研討會的形式，和社區分享本會在過去10年來所培育的年輕創變者之旅。

## OUR PROGRAM SPONSORS 項目贊助

The Kishinchand Chellaram Foundation Limited seeks to engage with the marginalized local communities in Hong Kong by supporting philanthropic initiatives in the areas of education, healthcare and other social causes. We strive to improve the literacy rate among the ethnic minorities in Hong Kong and also help them attain important personal skills such as communication, problem solving mindset and team-work in our endeavor to help the communities to break the intergenerational poverty.

In order to achieve this, we have partnered with Kids4Kids to support younger population in discovering their strengths, developing ideation & sustainability and empowering them through their transformational journey! The result of collaboration is tangible, wherein students, especially from low-resource schools, develop an entrepreneurial mindset usually marked with positive changes to the society at large. In return, the programs conducted by Kids4Kids helps our Foundation to interact with the youth and better understand the challenges faced by them and identify areas of support.

Kishinchand Chellaram Foundation Limited 致力於通過支持教育、醫療和其他社會事業相關的慈善活動，關注香港的邊緣社區。我們致力提高香港少數族裔的識字率，並幫助他們獲得重要的個人技能，例如溝通技巧、解難思維和團隊協作能力，以幫助社區擺脫跨代貧窮。

為了實現這目標，我們與童協基金會合作，支持年輕人發掘自己的長處、發展創意和可持續性，並在其創變之旅賦予他們權力！我們合作的成果十分顯著，當中來自資源匱乏學校的學生尤其得益，我們培養了他們的創業心態，鼓勵他們積極為社會帶來變化。反之，童協基金會的項目促進本基金會與青年互動，令我們更充分地了解他們面臨的挑戰並確立需要支持的領域。

## WORDS FROM OUR PROGRAM MENTORS & ALUMNI 導師及校友的話

My experience as a mentor for a project named "Eat Healthy" under the Kids4Kids - Action for a Cause program was very inspiring. I was very happy to work with two local secondary school students on a project that we all share a common passion for. Despite the limitations caused by COVID, we managed to provide different healthy workshops and offered healthy diet solutions to raise awareness on how to eat healthy in school. Great effort team!

我認為成為貴會為善行動中“Eat Healthy”的項目導師，這個經歷極具啟發性。我很高興能和兩名本地中學生合作，就我們共同熱衷的範疇上一起完成計劃。儘管我們受到疫情的限制，我們仍設法舉辦了不同的健康研討會並為參加者提供健康飲食解決方案，以提高人們對在校健康飲食的認識。我的團隊辛苦了！

Being a Kids4Kids Mentor introduced me to a highly motivated and driven young student whose interests match my own. I was very inspired by Ema's work creating an underwater documentary about Hong Kong corals, and hope more students and adults see this as an example of what young students can achieve with filmmaking!

成為童協基金會導師令我認識到一位與我有相似興趣的年輕學生。Ema 十分積極上進，她創作了一部有關香港珊瑚的紀錄片，帶給我很大的啟發。我希望她的故事也能啟發其他人，令更多的學生和成年人知道年輕人也可以通過電影製作成就大事。
